Why Choose Ohio Valley Pure Water for all your water treatment concerns?

1. Out of 31 different water treatment companies in the Cincinnati tri-state area only Ohio Valley Pure Water has been awarded “Best of Cincinnati” for water purification equipment category five straight years (2009, 2010, 2011, 2012 and 2013) by the U.S. Commerce Association. Our competitors have never received this award.
2. Nationwide, only 1-120 (less than 1%) award recipients have ever qualified as a four time award winner. We are the best of the best.
3. When the Cincinnati Enquirer and Angie’s List wanted to write a report on water softeners they decided to interview Ohio Valley Pure Water. The article was in the Saturday edition of the Cincinnati Enquirer on August 31st 2013
4. Ohio Valley Pure Water has Zero complaints with the BBB, Ohio Attorney General Office and Angie’s List.
5. 2011 & 2012 Angie’s List Super Service Award! This exclusive recognition is given annually to approximately 5% of service companies who achieved and maintained a superior rating on Angie’s List throughout the past year.
6. We have been in business for 25 years with over 2,500 customers. We know what works and what doesn’t. We also know what our customers like and what they don’t like.
7. We are Cincinnati’s only whole sale water treatment company. We do not have a store front or commission sales reps.That means our prices are up to 75% less than our competitors.
8. You know our prices before we even come out. Our competitors will NOT give prices over the phone or on their website because they pay their sales reps a 25-35% commission for high pressuring you to buy today.
9. We offer a 30 day 110% lowest price guarantee. If you can find the same size equipment with the same functions with an equal warranty for less, Ohio Valley Pure Water will refund the difference plus 10%.
10. All of our employees wear uniforms with no long hair, no piercings, no tattoos, no facial hair, do not smoke, do not do drugs and do not have a criminal record.
11. All of our equipment is installed in a way that you can take it with you if you ever decide to move.
12. We mail you reminders when it is time for replacing filters or service. No need to remember or write down.
